

The \$1.5 Million Building Fund Campaign

ONE ROOF. ONE MISSION. A STRONGER FUTURE.

Flushing Christian Outreach Center serves neighbors facing food insecurity and clothing needs with dignity and compassion. Today, services operate out of two separate locations, one for food and one for clothing, limiting efficiency as demand continues to rise.

WHY A NEW BUILDING MATTERS

- Unite Food and Clothing under one roof
- Increase volunteer effectiveness and dignity of service
- Reduce long-term operating strain
- Ensure sustainable outreach for decades to come

To meet today's needs and responsibly prepare for the future, FCOC is pursuing a **\$1.5 Million Building Fund** to bring services together under one roof.
